Both these courts should be made permanent. It has been noted that the 2nd Court at Bangalore should be dispensed with. Cases pending have not been fixed upto so no provision has been made for the Court's Establishment.

If the 2nd Court at Mysore is made permanent, necessary budget provision will be made.

Final Note by the First Member of Council.

Subject:—

Continuance of the temporary Additional Munsiff's Courts at Bangalore and Mysore.

22) In soliciting reference to the Final Note dated 12th June 1919 submitted by Mushir-ul-Mulk Mir Humza Hussain, the then Second Member of Council, recommending the opening, temporarily, of additional Munsiff's Courts at Bangalore and Mysore to remove congestion of work in civil courts, I beg to state that the proposal having been graciously approved by His Highness, orders were issued sanctioning the establishment of these courts temporarily for a period of 11 months from 1st August 1923. The Chief Court having in the month of December 1923 reported that these courts had done much useful work, particularly in disposing of several old suits transferred from other civil courts with heavily congested files, and recommended their continuance till the end of the official year 1924-25, the proposal was sanctioned in Government Order No. P. 1018-9 dated 26th August 1924. The Chief Court have, on a consideration of the present state of pending files and the number of disposals, now recommended (Registrar's letter dated 7th Jan.1925) that both these temporary courts may be made permanent with separate territorial jurisdiction or may at least be continued for a further period of 3 years if financial reasons do not permit of their being made permanent.

23) When the papers were submitted to the First Member (the present offg. Dewan), he recorded as follows:-

3 of Office Note

"Both these courts should be made permanent. It has been ordered that the second additional court at Bangalore should be shifted to Closepet and the order has not been

given effect to as no provision has been made for the cost of the clerical establishment.

"If the second additional court at Mysore is made permanent, necessary territorial adjustment will be made."

Page 3 of office Note

24) The Dewan (Mr. Banerji) while expressing himself as being in favour of the alternative proposal of the Chief Court to continue the courts temporarily for a further period of 3 years, ordered the case to be brought up for consideration in Council after consulting the Financial Secretary. The Financial Secretary having noted that the courts may be continued for a further period of 2 years, the question was discussed at the meeting of the Council held on the 19th instant. In view of the fact that there was no likelihood of these additional courts being abolished and that the retention of the Munsiffs on a temporary footing for a long period ~~will~~ would not only be a hardship to the officers concerned but also cause administrative inconvenience, the Council resolved that the two courts might be made permanent.

C. No. 1866 24-25-1

FROM

Registrar, Chief Court of Mysore.

12. JAN. 1925

To

B. Nagappa, Esqr., Bar-at-Law.,
Secretary to Government,
Local and Legislative Departments,
Bangalore.

SIR,

I am directed to invite reference to Government Order No. P.1018-9/Cts.152-23-9 dated the 26th August 1924, directing the continuance temporarily of the two additional Munsiffs' Courts at Bangalore and Mysore till the end of the current official year, and requesting to forward the opinion of the Chief Court well before the next budget time for the continuance or otherwise of the said Courts

2. The statement appended to this letter will show that both these courts have been showing very good work for the 1st six months of the current official year, and have to some extent helped the clearing off of arrears existing in the Courts of the permanent Munsiffs and Subordinate Judges of Bangalore and Mysore. But it is not expected that the existing state of congestion prevailing in the permanent civil courts above referred to will be materially reduced during the remaining 3 or 4 months of the current official year (exclusive of the Summer Vacation).

3. I am to observe that the Judges of the Chief Court, having regard to the present state of pending files and the number of disposals, consider that it is essential that these two temporary additional Munsiffs' Courts should once for all be made permanent

with

with separate territorial jurisdiction. If for financial or other reasons it is not possible to do so, they may be continued at least for the next -- three years at the end of which period the question of making them permanent or otherwise may again be considered.

4. I am to request the favour of very early orders of Government in the matter.

I have the honour to be,

Sir,

Your most obedient servant,
